PRODUCT SAFETY, QUALITY & LEGALITY POLICY

The Tradelink International Group Ltd recognises that product safety, quality and legality management are an integral part of its management function. The Organisation views these as a primary responsibility and as the keys to good business in adopting appropriate quality standards.

The Organisations product safety, quality and legality policy calls for continuous improvement in its quality management activities and business will be conducted according to the following principles:

We will: -

- Comply with all applicable laws and regulations.
- Follow a concept of continuous improvement and make best use of our management resources in all product safety, quality and legality matters.
- Communicate our product safety, quality and legality objectives and our performance against these objectives throughout the Organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, customers, suppliers and any others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest quality standards.
- Adopt a forward-looking view on future business decisions which may impact on product safety, quality and legality.
- Train our staff in the needs and responsibilities of product safety, quality and legality management.

To assist the company in achieving its product safety, quality and legality requirements we are committed to operating in a manner that sustains registration to the *BRC Global Standard for Agents and Brokers*.

It is the Company's belief that, in operating to these standards, it will meet the requirements of its Customers and the Industry.
